2024 ANNUAL REPORT

This report is meant to help our donors, supporters, and ministry partners to understand our progress, impacts, and stewardship.

The cover of the Ebenezer Report reflects the challenging journey Worldlight faced in 2024. Despite the hardships, it serves as a powerful reminder that even in the desert seasons, hope still remains and is found in God alone.

Thank you all for your prayers, donations, partnership, words of encouragement, and support!

To the laborers, thank you for capturing the vision and running with your revelation wholeheartedly. May the Lord bless you beyond measure. May the Lord cause His face to shine upon you. May all that you have given, in finances, in time and attention, in physical, emotional, and mental resources be multiplied upon you and your household. May your service in the Kingdom continue to rise as a pleasant fragrance before the Lord Jesus Christ. In Jesus Christ's matchless name...Amen!

THANK YOU!

EVANGELISM AND OUTREACH

Also, I heard the voice of the Lord, saying: "Whom shall I send, And who will go for Us?" Then I said, "Here am I! Send me." Isaiah 6:8

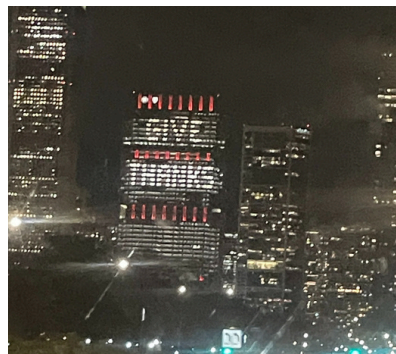

FEEDING CHICAGO'S UNHOUSED RESIDENTS

50

The team hosted a special Thanksgiving Outreach Event, distributing 50 Care Bags to the homeless in Chinatown, Uptown, and Hyde Park neighborhoods. Each Care Bag contained a tract with a gospel message, along with essential food items such as chips, water, and a sandwich.

Beyond providing physical nourishment, the outreach focused on sharing the life-changing message of Jesus Christ. Residents were encouraged to receive Him as their personal Savior. Volunteers devoted their time to bring hope and light to those in need.

EVANGELISM AND OUTREACH

Continued

EVANGELISM AT THE ST. PATRICKS DAY PARADE

In 2024, Worldlight volunteers took to the streets of Chicago's Magnificent Mile during the St. Patrick's Day Parade to share the gospel. As the city celebrated, participants distributed postcards explaining the true significance of the three-leafed shamrock—a tool St. Patrick used to illustrate the Trinity.

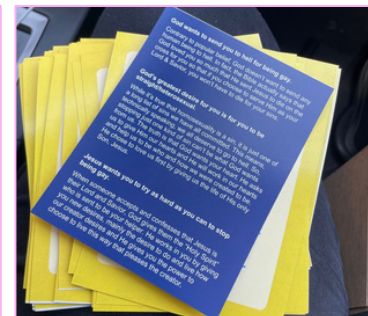

It was a meaningful experience, witnessing the Chicago River dyed green while spreading the timeless truth of the gospel, just as St. Patrick did centuries ago.

EVANGELISM AT THE CHICAGO PRIDE PARADE

Worldlight volunteers took to Boystown in Chicago, IL, sharing the transformative message of the gospel and the true meaning of love. Our mission was to clarify God's heart toward the LGBTQ+ community, emphasizing His love and truth.

To spark meaningful conversations, the team distributed postcards titled "3 Lies You've Probably Heard About How God Feels About Gay People", inviting people to explore the biblical perspective on God's love beyond common misconceptions. Through this outreach, Worldlight aimed to share hope, break down misunderstandings, and point others to the truth found in Christ.

STEPS OF FAITH

SCRIPTURE WALK

In 2024, Steps of Faith introduced the Scripture Walk, a unique experience that nurtured both physical and spiritual health. This event was held twice—once in March and again in August—with participants gathering every Saturday morning to engage in scripture while walking in nature.

Each session began with prayer, followed by a reading of the day's selected scriptures. Participants then dispersed, listening to the Word of God through their headphones as they walked. After the walk, we came together at the meet-up point to discuss any revelations or insights received while listening to the scriptures. This time of reflection allowed for meaningful conversations and deeper spiritual growth.

Interest in the event grew, with 7 participants registering via Eventbrite in March and 19 signing up in August. One participant testified that the Scripture Walk motivated her to unplug, get outside, and take her health seriously—highlighting the importance of caring for both body and soul.

The Scripture Walk was a successful and enriching experience, demonstrating that physical activity and spiritual growth can go hand in hand. It provided an opportunity to step away from daily distractions, immerse in God's Word, and embrace holistic well-being.

STEPS OF FAITH

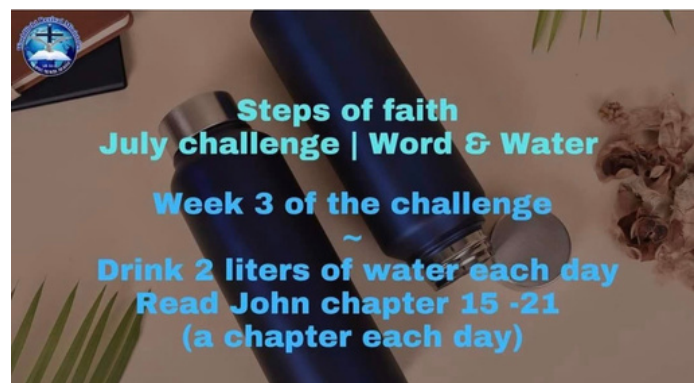

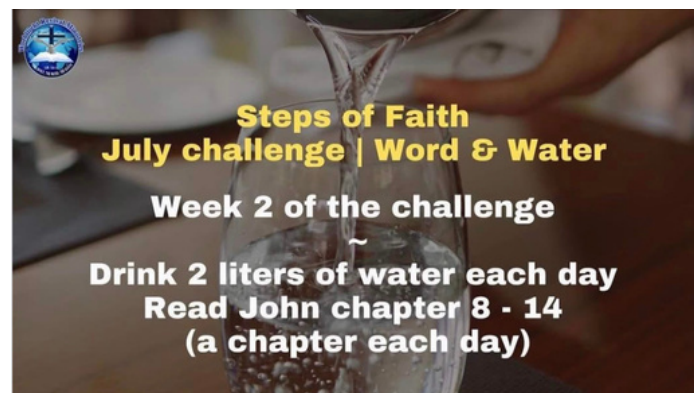

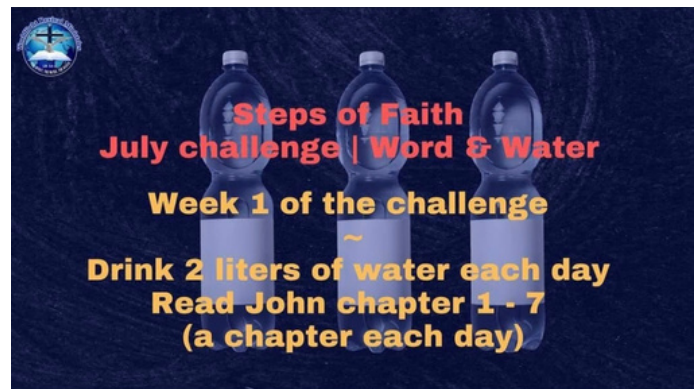

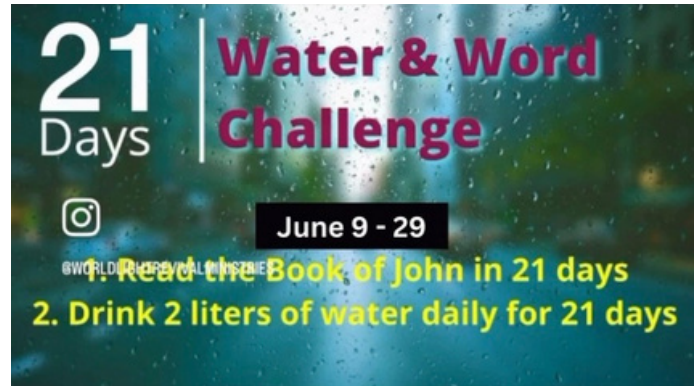

The "Steps of Faith" program encourages healthy living from a Christian perspective and incorporates evidence-based approaches to spiritual, physical, mental and emotional fitness across all ages.

In 2024, Worldlight engaged the community in a unique challenge promoting healthy living through the daily consumption of both water and scripture. This initiative highlighted the importance of physical hydration and spiritual nourishment, encouraging participants to be intentional about their well-being.

The challenge was actively promoted across social media platforms, fostering engagement and participation. Throughout the challenge, the Steps' team regularly published content to inspire consistency, provide motivation, and deepen involvement. Additionally, each advertisement was carefully monitored to track engagement and measure the challenge's impact.

This initiative successfully reinforced the connection between physical health and spiritual growth, reminding participants of the importance of feeding both the body and the soul daily.

II Timothy 3:16-17

"All Scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness, that the man of God may be complete, thoroughly equipped for every good work."

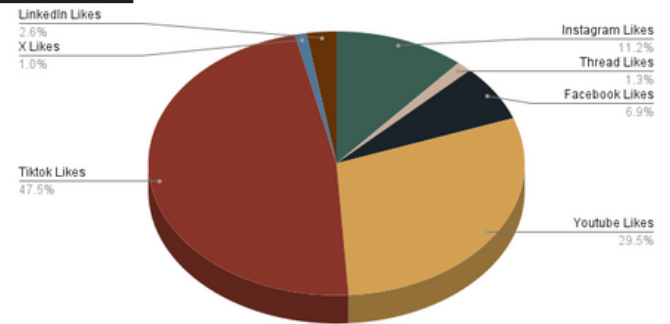

At Worldlight, we believe that the Word of God is valuable in every circumstance. To encourage and uplift the audience, one scripture is shared each week across social media platforms. The engaging 60-second format of YouTube Shorts, Facebook & Instagram Reels, Threads, TikTok, X, and LinkedIn posts increases the likelihood of meaningful engagement. In 2024, a total of 49 scriptures were shared, continuing the mission to inspire and edify through God's Word.

Partnership with WORLDLIGHT TRUE WORSHIPPERS & THE TALENTS OF THE KINGDOM PROGRAM

Worldlight's TOK exists to develop the gifts of men, women, and children in order for them to serve in the Kingdom of God. The program aims to combine "Show and Tell" with the biblical mandate to "Go and tell" (Mark 16:15). In short, Worldlight's Talents of the Kingdom is evangelism through talent development and mastery.

For the second consecutive year, Worldlight True Worshipers had the privilege of leading a month-long session at Pui Tak Christian School. This program combined music instruction with biblical teaching on worshipping God in Spirit and in Truth.

Throughout the session, an average of 12 students per class—ranging from 5th to 10th grade—participated in after-school lessons. Members of True Worshipers guided them in understanding the heart of true worship and praise. As the students sang worship and praise songs, they also gained practical insights into honoring God through music. Witnessing their growth and deepened understanding was a powerful and rewarding experience.

The immersion program focused on three areas:

- Understanding True & Godly Worship
- Technical Skills
- Practicing Worship & Praise

Alfreda and her team recently visited our school's afterschool care program and led four worship workshop sessions for our upper elementary students. They were amazing, especially with their beautiful voices! All our students and staff enjoyed the sessions and learned more about worship.

Dear Alfreda + team,

I wanted to take a moment to express my gratitude for leading a worship workshop in our school ministry. Your workshop is truly amazing and inspiring. PTC is so blessed to have you + team as part of our team.

Thank you for your support and for being a shining example of both and love.

WORLDLIGHT KIDS

Bible Illustrations

The Bible Illustrations segment by Worldlight is designed to encourage children worldwide to set their minds on the things of God and to foster meaningful conversations between parents and their children about Jesus. Through this initiative, parents were invited to share their children's biblical drawings and engage in discussions about the spiritual messages behind their artwork.

In 2024, Worldlight received an inspiring collection of 43 unique drawings from children across Chicago, IL; Bronx, NY; Noblesville, IN; Accra, Ghana; Cape Coast, Ghana; Dome, Ghana; and Akim Oda, Ghana, along with a few anonymous submissions.

Worldlight had the privilege of featuring the incredible artwork of Alvin, Amy, Anna, Bright, Elijah, Godfred, Israel, Jacinth, Jane-Miracle, Kingston, Stephen, and Theodora. These talented young artists not only illustrated biblical stories but also conveyed their spiritual revelations through art, bringing the scriptures to life in a creative and impactful way.

This initiative continues to highlight the power of art in faith, allowing children to express their understanding of God's Word while inspiring others in the process.
